Read what others have said about Mike Benders training:

"...your class was by far the most informative class offered. Everyone here at the auto theft task force agreed that your class was the best one offered at this year's conference"

"I have known Mike for years and I still continue to learn something every time I hear him speak. The feedback from his class was fantastic. Both the PD folks and the investigators all raved about what they learned/were impressed on how knowledgeable Mike was...This was some of the best training we have ever received..."

"...rating of 1 to 10 Mike gets a solid 10. In fact, out of all the classes presented during the training, Mike's presentation was the most informative and interesting".
